I hope this finds you well. We have been busy planning for when we might reopen and whilst we don't have a date for this yet there is some information you might find useful for when it does happen.

When the courts reopen we will be implementing the court booking system which was discussed at the AGM. This is to help with social distancing and to avoid waiting around or court usage clashes. There will be more details on this when we are given the go ahead to reopen.

In order to book a court you will have to have paid your membership fees. So if you would like to be ready for when the courts do reopen you can pay these now. Thank you to those who have already paid!

https://www.roundhaytennis.org.uk/membership

Follow the link above and click on Become A Member this will take you to the Clubspark page where you can login and select your membership.

When we are open again there will be two ways you can book a court. 1. Through the website. 2. Through the Booker clubspark app.
For both of these methods you will need your clubspark logins in order to book.

More details of how this works will be sent out when we are ready to reopen.

We are also taking the opportunity of the clubhouse being closed to have it redecorated ready for the reopening!

Any questions please email me at roundhaytennis@gmail.com
