RLTC Code of Conduct

Court Etiquette

We are all keen to enjoy our sport so we have just a simple Ground Rule to make the playing experience more enjoyable for all and that is 'Keep it clean!'.

The 'it' being:

- the courts,
- your language and
- your play.

Leave the courts, clubhouse and grounds free of litter, collect in tennis balls for other players to use and don't let the frustrations of the game make you an unpleasant person to play with.

Social Tennis

There are many sessions through the week to join in playing social tennis. Please check the website to see which is the most appropriate sessions for you to attend.

New balls are provided by the club weekly for these sessions.

Juniors are welcome to social sessions by invitation of their coach or a committee member.

If you are the last person to leave the clubhouse lock the door and gates. If you aren't the last person to leave make sure whoever is left has the means to lock up.

If you are playing with a non-member then you must contact roundhaytennis@gmail.com to pay a visitor fee for them.

Respect and Behaviour

All club members must show tolerance, courtesy, good manners, fairness, honesty and integrity in their dealings with Club members, officials, playing and social visitors.

Equality

The club is opposed to discrimination in any form. All Club members have the responsibility to make everyone feel welcome and to ensure that membership of the club is a positive experience.

Safety and Responsibility

All Club members will act responsibly and look to protect and ensure the safety of everyone at the Club at all times. Particularly consider the well-being and care of junior players and visitors.

Fair Play

All Club members will respect the rules of tennis and address disputes with dignity and appropriate language.

Club Reputation

All club members should endeavour to protect and further the Club's good reputation at all times. When representing the Club, all players and officials will observe the principles in the Code of Conduct.

Some juniors might be invited to join in the adult social tennis sessions or the adult teams when they reach the appropriate standard.

There are many junior teams that play in the junior local leagues, there are also tournaments arranged within the club and opportunities for match play.

Coaching At RLTC

We pride ourselves in high quality tennis lessons for players of all ages at every stage of development.

Adults

We have weekly lessons from beginner to Team standard. Weekly coaching sessions run on Tuesdays and Thursdays, these are Beginner to Intermediate level. There are also bespoke sessions available for the Team players, which are organised outside of these times through the team captains. There is also the option of Cardio Tennis on a Monday night, this is pay & play, and designed to give a great workout while having fun hitting tennis balls.

Juniors

This ranges from ages 3 to 18, split up into four age groups (Mini Red, Mini Orange, Mini Green, and Junior). The weekly sessions are for all levels, within each session players are split up based on ability, and with most sessions having at least two coaches the sessions are tailored to the players. On a Saturday afternoon we have invitation only sessions for those players showing higher levels of commitment and with the potential to go onto competitive tennis outside of the club. On a Sunday we have Matchplay sessions for all Mini Tennis players, designed to introduce the players to fun, informal competition, and to give them more time on court to speed up development.

The club's safeguarding policy recognises that the welfare and interests of children and adults at risk are paramount in all circumstances. As part of our safeguarding policy Roundhay Lawn Tennis Club will:

- promote and prioritise the safety and well-being of children and adults at risk
- ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and adults at risk
- encourage and maintain a culture where people feel able to raise a genuine safeguarding concern and are confident that it will be taken seriously
- ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern
- ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- prevent the employment/deployment of unsuitable individuals
- ensure robust safeguarding arrangements and procedures are in operation

The Club Welfare Officer can be contacted on: Lorraine Bowman - 07851686475
